It is the prospective juror's responsibility to call the jury recording at 575-524-9271 after 6:00 pm the day before you are ordered to appear. The jury recording will state what group numbers have to report, what time to report and where to report. Jurors are to report only when they hear their group number being called in. DO NOT pay attention to the date on the juror dashboard; the summons date on that website is for system purposes ONLY and does not reflect any date you might possibly be called in for.

We apologize for the inconvenience, but we cannot allow purses, bags, cell phones or smart watches in the courthouse.

Be advised the temperature in the building fluctuates and the court recommends dressing in layers. For more tips and updates on serving as a juror, please visit <https://jury.nmcourts.gov>
